

2010 Parking and Launch Rates North Tahoe Public Utility District Beach Facilities

Definition of Peak Season and Off Season

Peak Season begins June 1 and ends on September 30.

Off Season begins on October 1 and goes through May 31.

Resident Rate – The Resident’s rate is given when a current year North Tahoe Public Utility District Resident’s Sticker is affixed to the vehicle’s window. Resident’s Benefit Program stickers are available at the District Offices on National Avenue. Resident’s pricing is not available without the appropriate identification.

Parking Rates at Kings Beach State Recreation Area
